

2025/2026 Golf Without Limits Men's League Registration

Cost for men's league is \$200 +hst and must be paid before playing any men's league rounds. Men's League starts on November 3rd. The league will run for 24 weeks followed by our banquet and prize ceremony.

This season our Men's league is individual single division play. You choose your division (tee deck) and it's the players NET (handicap) score that counts for the week. If you are away or miss a week you will still be able to make up any round for the division portion of the men's league. The league play is 9 holes on a different course and conditions each week. The league winners and placement are done by accumulative point total over the total season. Players will pick a prize from the table based on where they finish in the standings.

Non-Members participating in Men's League will be charged \$20 each week for your green fee when playing on Wednesday and Thursday nights. When playing your league rounds on different nights the cost is \$35 per hour. Men's League players will also receive a 25% discount on simulator rentals during the 2025/2026 indoor season.

All registration fees go towards the end of year banquet & prizes. This season we are going to be having 2 nights for the Men's league (Wednesday and Thursday). There will be 2 tee times each night starting at 5:30 pm and again at 8 pm. This is to accommodate the increasing number of players looking to play in our league.

When not playing on the sanctioned men's league evenings you **MUST** declare that you are going to play. For the round to count a GWL staff member must be the one to set up the round for you. Failure to do so and the round will not count.

Any player who is found to not be following the rules, either by taking unsolicited mulligans, not declaring rounds, not using specific spin balls and or resetting their round will forfeit the week in question. If this happens on more than one occasion GWL may remove the player from the league with no refund.

The Men's league is for fun but also offers a competitive feel and we expect all players to respect the rules and regulations set forth by Golf Without Limits, not to mention the spirit of fairness and competition.

I understand and agree to follow all rules set forth by Golf Without Limits and by doing so agree to any penalties that may occur by not doing so.
